Delegate's Report

March 13, 2017

Rules Committee

Clubs are facing new challenges daily. People want instant gratification, and events that are easy to understand. That is one reason the newer performance events are gaining popularity. I brought up that is rather difficult to see how to get started offering some of these events. They are looking into developing a podcast or webinar with a menu or outline of what is involved. It was reported that Fast Cat is up 6000 entries so far this year and Earth Dog is down 29%.

A sub-committee was formed and I am on it to clarify Chapter 7, Section 1 regarding who can judge and who cannot.

It was discussed that Grand Championship points be the same as regular points.

A sub-committee was formed to discuss what leashes and collars are allowed on the show grounds. I am on that committee also.

It was discussed that a cluster event committee might be allowed. if an individual commits a transgression over a period of time, sometimes it is not clear which club should hold an event committee.

Delegate's Meeting
March 14, 2017

The rule change passed regarding a club being able to appeal if use of a show site was denied unreasonably.

The rule regarding the change of the Field Trial Rules and Standard Procedures for Retrievers, creating a Retriever National Derby Championship.

After 5 ballots, the following were elected to the Board: Rita Biddle, Dominic Carota , Harvey Wooding, Tom Powers.

Respectfully Submitted

TBKC Delegate
